VS.

PHILLIP JOHNSON, Superintendent S.C.I.P.
ATTORNEY GENERAL OF THE COMMONWEALTH
OF PENNSYLVANIA - RESPONDENT(S)

ON PETITION FOR AN EXTRAORDINARY WRIT TO
THE UNITED STATES SUPREME COURT

PETITION FOR AN EXTRAORDINARY WRIT

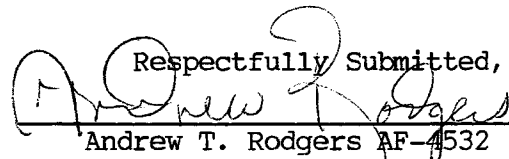

Andrew T. Rodgers
AF-4532
P.O. Box 99901
Pittsburgh, Pa. 15233

**EXHAUSTION OF STATE REMEDIES
UNDER 28 U.S.C. § 2254 (B)**

Petitioner, submits that he has satisfied the "EXHAUSTION" requirement under **28 U.S.C. § 2254 (b)** and denial of Allocatur in the Pennsylvania Supreme Court at, NO. 0405 E.D. ALLOCATUR DOCKET - 1999.

On December 10, 1997, the Honorable David N. Savitt, dismissed Petitioner's PCRA PETITION as "untimely" filed Pursuant to **42 Pa. C.S.C. SECTION 9545.** Judgement, was affirmed by the Pennsylvania Superior Court, on May 11, 1999, at NO. 179, Philadelphia 1998.

Respectfully Submitted,

Andrew T. Rodgers AF-4532

**STATEMENT IN ACCORDANCE
WITH 28 U.S.C. § 2242(B)(2)**

Petitioner, filed an HABEAS CORPUS Petition, on March 10th, 2000, to the United States District Court of Pennsylvania, upon the Highest State Court, becoming Silent; the Docket was Assigned **NO. CA 00-522** .

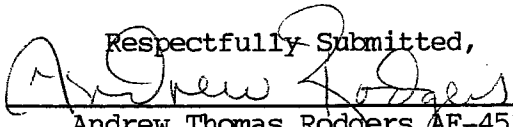

On April 27, 2000, the aboved Jurisdiction "Transferred" the Habeas Petition to the U.S. District Court in the Eastern District of Pennsylvania, upon scrutinizing that the latter District was the Region where the Trial took place and where the "TRIAL RECORDS," should be more accessible, which were subsequently disclosed to be a Constitutional grave error of the Original Jurisdiction. The District Court for the Eastern District assigned the Case Docket under **RODGERS VS. JOHNSON, et al**, at NO. 00-2257 (E.D. Pa. 2000), to which the Honorable U.S. District Court Judge Marvin Katz, adopted the U.S. Magistrate's Report/Recommendation which failed to address Petitioner's EXCEPTIONAL-CIRCUMSTANCES on the basis that no TRIAL TRANSCRIPT were available, nor, did the Court write an OPINION for its denial on October 18, 2000.

The Third Circuit Court of Appeals, denied Petition for Certificate of Appealability on July 20, 2001, under **NO. 00-3681**, without reviewing the STATE RECORDS as in the Case with the U.S. District Court & State Appellate Courts, due to the missing Trial Records which prohibited each Appellate

Review from Granting a Meaningful Appeal. The absent Trial Records, however, placed no obstacles in the prior Courts' path that impaired the open and blatant Miscarriage of Justice in the Case at Bar, which occurred Pre-PCRA filing, during and following the Unusual events of the Post-Conviction Court in, COMMONWEALTH VS. RODGERS, supra, clearly supported by the RECORD.

Petitioner, cannot bring the EXTRAORDINARY-CIRCUMSTANCES, at Bar, before any other Court, in that, the U.S. District Court as well the Third Circuit Court of Appeals, has demonstrated double-standards' when reviewing simultaneous EXCEPTIONAL-CIRCUMSTANCES with that of Petitioner's, in PACE VS. VAUGHN, 151 F.Supp.2d 568 (E.D. Pa. 2001) and BANKS VS. HORN, 2001, 271 F.3d 527 (Pa. 2001), each of which were Granted "Relief" by which the Presiding U.S. District Court Judge & Third Circuit Court of Appeals' Panel, possessed TRIAL TRANSCRIPTS & TRIAL RECORDS, to effectuate a Meaningful Review in BANKS & PACE.

Thus, the abundance of EXCEPTIONAL-CIRCUMSTANCES, existing in the Case at Bar, warrant the exercise of the Court's Discretionary Powers, to GRANT the Petition for an EXTRAORDINARY WRIT, and requested Relief which cannot be obtained in any other form or from any other Court. Respectfully Submitted,

Andrew Thomas Rodgers AF-4532

QUESTIONS PRESENTED FOR REVIEW

(I) Should this SUPREME COURT, allow Review where Detective in Charge Sylvester Scanzello, executed an Unauthorized/Unconstitutional COMPLAINT to Arrest Petitioner, when he had not been implicated in a Crime, nor confronted with an Accuser prior to or following arrest?

(II) Should this SUPREME COURT, allow Review where Arresting Officers, abducted Petitioner, Wife and three minor Children, at 1:30 a.m., on July 17th, 1972, without PROBABLE CAUSE and without an ARREST WARRANT? **SEE: APPENDICES H & I; also SEE: I(a) & I(b) [ARREST WARRANT BLANKS].**

(III) Should this SUPREME COURT, allow Review where the Dectective in Charge fraudulently testified at Trial an "Arrest Warrant" and "Search & Seizure Warrant," were issued on July 17th and July 18th, 1972, blatant perjury which were sustained by the Trial Court and Pa. State Supreme Court?

(IV) Should this SUPREME COURT, allow Review where the Pennsylvania State Supreme Court, wrote an OPINION (Table) on October 3, 1975, without a FULL Stenographic TRIAL TRANSCRIPT, referring to Non-Existing TRIAL RECORDS, when in reality its DECISION were based upon Unconstitutional Information composited in a makeshift -CHRONOLOGICAL- hypothesis in which the Commonwealth, personally designed in an attempt to "Paint a Picture" of what occurred, below? **SEE: APPENDICES L, L-IV.**

(V) Should this SUPREME COURT, allow Review where the Philadelphia D.A.

Office, solicited an entire Witness slate in the Case of COMMONWEALTH VS. RODGERS, Nos. 1246-1249, August Term (C.P. 1972), of Police Officers from the District where Petitioner resided, each of whom given a Script that which supported the contents of the two created Statements constructed by Homicide Detectives William Thompson and David Lee Porter, thus, within a concise period following the perjured Testimonies each Commonwealth Witness (Officers), were CHARGE WITH CRIMES from Official Corruption to Murder as well as Murder/Suicide which are the reason(s) for the District Attorney Office failing to file a SERIATIM "Answer" and ADDRESS Petitioner's Claims in prior Court Proceedings?

(VI) Should this SUPREME COURT, allow Review where the POST-CONVICTION REVIEW ACT COURT, sustained PCRA PETITION for Eight (8) Months, Set a Listed Hearing Date and Appointment of Counsel, REVERSED its former Constitutional adjudication upon discovery that Appointed Counsel could not "Amend" PCRA PETITION in light of the missing, TRIAL TRANSCRIPT & TRIAL RECORDS, nor could the Commonwealth Constitutionally "Answer" PCRA PETITION, therefore set aside Petitioner's 6th AMENDMENT RIGHTS and Due-Process with the pretense of "time-barring" the valid PCRA PETITION?

(VII) Should this SUPREME COURT, allow Review where the STATE SUPERIOR COURT, STATE SUPREME COURT, THE UNITED STATES DISTRICT COURT for the Eastern District of Pennsylvania and THE THIRD CIRCUIT COURT OF APPEALS, DENIED Petitioner a Meaningful Appeal and Due-Process under the virtue of the SIXTH AMENDMENT of the UNITED STATES CONSTITUTION, on the basis

that neither had the TRIAL TRANSCRIPT/RECORDS in COMMONWEALTH VS. RODGERS, supra, at its disposal that each Forum deemed necessary to give credence to Petitioner's **EXCEPTIONAL-CIRCUMSTANCES**, which were clearly visible to which no impediments prevented the prior Courts' from correcting the multiple Years of Miscarriage of Justice and denial of Due-Process?

(VIII) Should this SUPREME COURT, allow Review where the PCRA COURT-APPOINTED ATTORNEY Lee Mandell, upon discovery that no TRIAL TRANSCRIPT and TRIAL RECORDS existed which created a dilemma, compelling PCRA COUNSEL to inform the Post-Conviction Court, of his "Handicap" and inability to file an "Amended Brief," without the existence of the "Trial Notes" immediately thereof, a secretive MEETING took place in the Chambers of PCRA Judge David N. Savitt, with the presence of D.A. Assistant Catherine Marshall and Atty. Mandell, wherein, a unanimous decision was concluded that the PCRA COURT "time-bar" the Petition to protect the interest of the Commonwealth?

(IX) Should this SUPREME COURT, allow Review where PCRA COUNSEL Lee Mandell, selected to engage in a Conspiratorial intrigue to stagnate Petitioner's pursuant of Justice in light of the fact that he was Court Appointed and the Commonwealth was defraying the cost for his representation, than to file a Constitutional Brief/Petition requesting a vacate of "Conviction" and Sentence since no TRIAL RECORDS were completely recorded in _____ COMMONWEALTH VS. RODGERS, Nos. 1246-1249, August Term (C.P. 1972), etc?

Respectfully Submitted,

Andrew T. Rodgers AF-4532
